Hello everyone. My name is dimitri arabatzis and I want to introduce to you to the new travel vacation incentive program for all nonprofit organizations. This new incentive program works as a standalone fundraising strategy, but it can also be added to any fundraising event you are currently running or will run in the future. Every nonprofit organization will have access to unlimited complementary vacations. You can give away these at a rate of 10 a month or 510 a month. It's totally up to you.

- ✓ **Each vacation is for two people.**
- ✓ **Vacations range from 3 to 7 days.**
- ✓ **There are 80 destinations (30 in the US, and 50 international) to choose from and each recipient gets to choose their own destination**
- ✓ **Vacations can reach a value of over \$1800**
- ✓ **The complementary vacation covers the hotel stay (excluding taxes/fees). Not the flight**
- ✓ **All hotels/accommodations have a four star minimum rating on Tripadvisor**
- ✓ **No timeshare presentation required.**

The program works as a standalone fundraising strategy or can be added to any fundraising event you are currently running or will run in the future. Here are some ways in which it can be used:

- ✓ **Pick a donation amount (for example \$200). Everyone who donates \$200 receives a complementary vacation. You can have this running all year round. And you can adjust the amount for different events.**
- ✓ **If you have a ticketed event as a fundraiser, an incentive for the purchase of (X) amount of tickets earns a complementary vacation.**
- ✓ **Give every volunteer or organizer a complementary vacation.**

- ✓ **Get your community involved. Businesses within your community can also benefit from giving away complementary vacations as an incentive for their own business. Reach out to me. For every business that signs up for their own account, 10% is donated back to the referring church or nonprofit organization.**

There's really no end to the different possibilities you can use this fundraising strategy for.

Below I've attached a few promotional pages so you can see what they would look like. These pages are strictly samples. I can create your own preference for each individual organization. Or you can feel free to design on your own. First 3 pages (6,7, & 8) are just background sample ideas. Next 2 (9 & 10) are filled out examples, and last one (page 11) is a sample certificate that you hand the awardee.
